

ILLUMINATING ENERGY RISK MANAGEMENT

THE ENERGY SCHOOL 2020

— SAVE THE DATES —

October 26-29

Energy risk managers need to keep their skills sharp to meet today's industry challenges and no one understands the challenges better than utility and energy company risk managers and claims representatives. The Energy School, hosted by AEGIS, EIM, NEIL and OCIL, will shed light on specific challenges today's energy professionals face. Join risk management experts, industry leaders and fellow professionals for an enlightening symposium.

- **Take part in real world scenarios and case study exercises**
- **Explore opportunities and challenges with experts and colleagues**
- **Gain a unique perspective of the rapidly changing energy environment**
- **Acquire additional skills to adapt to upcoming challenges**

Florida State University, 600 College Ave., Tallahassee

This program is designed for risk management and claims professionals to provide knowledge needed in performing and adapting amid the challenges of the industry. Registration will begin in June.
